NATIONAL SECURITY, ENERGY AND CLIMATE FORUM: CHALLENGES AND SOLUTIONS FOR THE FUTURE

The *Military Officers Association of America* (MOAA), *CNA* and the *Pew Project on National Security, Energy and Climate* invite you to attend a strategic briefing to discuss how climate change and our energy posture threaten our national security, and how the U.S. Military is preparing to meet these challenges.

National Security, Energy and Climate Forum: Challenges and Solutions for the Future

Wednesday, September 30, 2009

9:00 AM – 1:00 PM

Hilton Crystal City at Ronald Reagan National Airport
2399 Jefferson Davis Highway
Arlington, VA 22202

Keynote Speaker

Carol Browner, Director of the White House Office of Energy and Climate Change Policy

Featuring

Senator John W. Warner

Kathleen Hicks, Deputy Undersecretary of Defense for Strategy, Plans and Forces

VADM Dennis V. McGinn USN (Ret.), Member, CNA Military Advisory Board

Senior representatives from the Army, Navy, Air Force and Marine Corps

You must register for this free event. Space is limited. Please email NSECforum@moaa.org for registration. Lunch will be served. Parking is available at the Hilton. The Hilton is 3 blocks south of the Crystal City Metro Station (yellow and blue line). For questions call (202) 887-8853.

We strongly encourage you and other key members of your organization to attend. This will be a special opportunity to hear from and ask questions of leadership with the Department of Defense and Services. We look forward to seeing you there and to your participation in this important forum!
